only our other events, the one on the flier below is for the Meetin-In-The-Middle Rally

This time of the year in the Midwest, one thing you can count on is the unpredictable weather. Or really, IS it predictable in the sense of warmer days which give a few windows for comfortable riding then BAM, it's back in the mid 20's again for a couple of days every year! Yes after 4 months of little riding time being available, patience is being tested!

One sure thing on the horizon regardless if you ride or haul, is the 5th annual KCVJMC "**Meetin In The Middle**" Rally and Bike Show held on the weekend of July 12th-14th in St Joseph Missouri.

This event will be held at St Joe Powersports Honda Yamaha, which continues to grow every year with events before and after the show. Activities include rides, meet and greet opportunities, dinners, awards, and giveaways.

The city of St Joseph also has plenty to keep you entertained if you would consider taking an extra day or two to explore the area. For example there are 13 museums in the area and many other historical places to explore such as the Remington Conservation area and beautiful Krug Park. There is also the National Pony Express Museum. So please make some plans to join us for a fun filled July weekend of vintage motorcycle goodness.

Some of us work almost year round to get things organized. We do it because we love motorcycles and events. If you have any ideas as to how we can improve our events, please let us know. **We want to see VJMC grow and to also make events which people want to attend.** I have attached a second QR code listing our other events, this code is different from the one on the Meetin In The Middle Rally flier, so please check it out as well! Check both for complete information.
