### Thinking Ahead ...

Our KCVJMC "Show" season ends on September 14th at Liberty Cycle Center in Liberty Missouri with the "All Japanese Motorcycle Show". If it's a Japanese machine bring it!

LCC has been a long time VJMC supporter and always has a great turnout of bikes to drool over. After this year's LCC show we will have a group ride to Excelsior Springs Missouri for some great food at Wabash BBQ. It will be a back road ride for about 45 minutes and worth every mile to get there and hang out even more. We had about 20 bikes and riders join us after last year's show. There are plenty of other scenic back roads in the area to checkout afterwards if you need to put a few more miles in.

Speaking of hanging out, I like to ride my bikes...a LOT! I know some of you ride your bikes to our shows which is really cool, it's nice to see and HEAR them upon their entrance!.Make sure and join us on the 14<sup>th</sup> .

The All Kansas City 2-Stroke Rally was held on August 10<sup>th</sup> 2024 and was great fun. As the 2-Stroke motorcycle has been gone for some time this event continues to be unique. We had many of our regulars attend and many new people join us as well. Next year will be the 10<sup>th</sup> year for this event and we are beginning to make plans now. It has always been held on the second Saturday of August and I doubt that this will change. We will begin promoting the event as soon as plans have been finalized. Tell your friends who have 2-Strokes to consider attending in 2025! Hopefully next year will be the best yet! Use the QR code to the right get to our web page.
