July 2025 Edition: **Buddy Walton:** The Meetin In The Middle meet was one of our best Rally's!
Mark Bayer: There is still plenty of time to get involved in the 2025 season!

Well, we made it to our "Summer Break" after three really great shows in May and June. The 6th annual "**Meetin In The Middle**" show at Edwards Motorsports in Council Bluffs, Iowa was more than well received. If you weren't there plan on attending next year as we will return to Edwards, If you were there maybe you took in the Thursday night "Bikes On the 100 Block" party in downtown Council Bluffs which occurs on the third Thursday of every month, quite a event to attend!

Next up is **Bill Brown's Sidecar Meet and Picnic** in Lenexa Kansas on Sunday July 27th. A mix of bikes and sidecars of all brands with great visiting and food. If you are in the vicinity it's a "must do" event. The next KCVJMC bike show is in Gardner Kansas on Saturday August 2nd. **The Commemorative Air Force** has an "Open Hangar" event at New Century Airport inside their large hangar so rain, shine or heat will be bearable, no excuses! The CAF has breakfast and lunch available for a small donation, live music, a cool museum on site along many other offerings related to fast things on the ground and in the air. By the way we welcome all vintage bikes 20 years or older if you wish to show off your machine. And remember the **All Kansas City 2 Stroke show** in Lees Summit, Missouri is on Saturday August 9th so get ready to burn some premix and smell the goodness! This is the 10th. year for this event! Our final event is at Liberty Cycle Center, or as we call it, the LCC event, Liberty, Missouri held on Saturday September 20th.

I have seen quite a few vintage bikes for sale locally this summer, and prices seem to have come down slightly. There were some for sale up in Council Bluffs, a few of us returned home with more than we took up there.

We were also able to visit the Kamikaze Museum, always a favorite:

Consider attending the Barber Vintage Days event in early October, VJMC will have a better location this year!
