Our Club Web Site: **kcvjmc.com**

This is a newsletter covering what is going on in the Midwest with our VJMC friends. Please send us your events, activities, or interesting stories. We will keep you informed about the above topics and want to see our region grow. Please pass this newsletter to any of your friends and let's build a community. Any correspondence will be kept private and no information will be given out without your permission.

September 2025 Edition: **Buddy Walton:** Our last show will be on September 20th, please join us!

Mark Bayer: Plan on attending the 20th annual VJMC Barber Rally!

One more to go in 2025:

The Kansas City VJMC motorcycle club has it's final show of 2025 on Saturday September 20th at LCC Powersports in Liberty Missouri. This is always a fun show and **LCC** is a great host with awards; food, drinks and giveaways to put a smile on everyone's face. In addition after the show we always take a ride along some backroads to **Wabash BBQ in Excelsior Springs** for some great food and even more visiting and tall tales told. It's been a really busy year with all the shows and great attendance at every one (and great weather also). The variety of Japanese bikes has been phenomenal at every show. The Kansas City All Two Stroke show at Johnny Rays Drive Inn had a little of everything that required mixing oil with gas, and really nice awards!

To answer several questions we frequently receive regarding bikes to bring to a show:

1. We generally encourage Japanese bikes over twenty years old, although we occasionally get something that is non-Japanese or a little newer that is just too cool to turn away.
2. No, your bike does not need to be a concours restoration. Pretty much any condition running or not is allowed. We really like seeing bikes ridden to our events to show off.
3. There never is a entry fee charge. Occasionally we have a raffle for items which may require a minimum donation for a entry ticket. We do encourage joining the national VJMC organization. You will receive a great magazine bi-monthly and endless valuable information on bike builds, component information and member articles. And become a supporting member of a really great organization that supports a segment of motorcycles that are not necessarily recognized in all areas of our country. So come out to a show and visit us, check out the machines and ask questions! The "visiting" aspect of our shows brings a wide variety of motorcycle enthusiasts, sometimes from hundreds of miles away so don't be shy and ride on in to check us out.
