JUNE 2026 Edition: *Buddy Walton:* The Bill Brown sidecar Rally is a must see event as it draws many types of unique motorcycles!

Mark Bayer: If you like sidecars, vintage motorcycles, and unique vehicles take time to attend the largest "sidecar" rally in the Kansas City area! You just have to see it for yourself so make plans to attend.

The 12th annual Bill Brown sidecar rally is getting close. It is scheduled for Sunday June 14th 2026. This event is done through a collaboration between VJMC and the United Sidecar Association. There will be food and drink available for a donation and this event typically draws other types of unique motorcycles as well. Bill Brown is the Kansas VJMC Field Representative and is also an important figure in Midwest Sidecar activities. He also has a motorcycle museum which will be open! There is plenty of parking and camping space available. If you want to stay on his property or need additional information about the event give Bill a call at 913-526-5095. Make plans now to attend now.

This event includes a vintage Japanese motorcycle show, a sidecar rally, an open museum, BBQ, and if you are coming from out of town, a place to camp out (just call Bill). Typically some really cool stuff shows up as well, this is the only event of its kind in this area! Don't say there is nothing going on in our area, just come and join in on the fun.
