One more show to go! Our next KCVJMC bike show is in Liberty, Missouri at Liberty Cycle Center. LCC has hosted our events for nine years and is graciously allowing us to show off some outstanding bikes once again. We will have food and drinks from 10am-1pm along with awards and some raffle drawings to complete the fun. This event brings eclectic vintage bikes of all makes, models, and years, including 50-1600cc beasts that still roam the roads and trails. And to complete the day we will take a ride to Wabash BBQ in Excelsior Springs after the event for some end of the season visiting and tall tales. Consider yourself invited! The flier is attached with all necessary information.

We want to thank every individual and business that supported our local club activities this year. Without our supporters, having the number of shows we have, would be, well, maybe not impossible but much more difficult - THANK YOU AGAIN!

Our Meetin In The Middle event at Edwards Motorsports in Council Bluffs Iowa was well attended and as always had many amazing machines and people to visit with throughout the day. Edwards Motorsports staff is very accommodating and experienced so if you are looking for a new bike, gear or equipment in the Omaha / Council Bluffs area give them a visit!

Keep an eye on our website for more club events this year and join the fun. There are still many more great days ahead to ride and get out and about on your bikes. See you in Liberty on Saturday September 12th. Its literally just around the corner! Buddy Walton

Meetin In The Middle started with the Block 100 event.

2026 has been a great event year. Donnell's was great as usual. The Bill Brown Sidecar Rally & Picnic had a great crowd.

We had our regulars with many new guests. The 2-Stroke Rally had definitely grown a bit with the new date, and the Commemorative Air Force Rally was still a great event even though we didn't have the B 29 on the runway. The Meetin In The Middle Rally was three days of fun and there is no doubt that the LCC All Japanese Motorcycle Rally will continue to be a great gathering. Hey guys, get on board and get involved. Remember we have our monthly meetings on the last Tuesday of every month, PLEASE JOIN US!!! Please say "hello" to us at the Liberty event and lets rock into 2027!
